Responsible person:	CFC Executive Director	Approved by CoM on:	08/09/2021

PURPOSE

This policy will provide guidelines for the engagement and participation of volunteers and students at Craig Family Centre Inc. (CFC), while ensuring that client health, safety and wellbeing is protected at all times.

POLICY STATEMENT

1. VALUES

The CFC is committed to:

- supporting connections with educational institutions to provide opportunities for students to undertake practicum placements as part of their studies
- building relationships with community members and providing suitable opportunities to engage volunteers to contribute to the programs and activities of the service
- ensuring the health, safety and wellbeing of each client at the service through consistent compliance with this policy and procedures when engaging volunteers and students.

2. SCOPE

This policy applies to the CFC’s employees, contractors, students on placement, volunteers, parents/guardians/carers, children and others attending the programs and activities of CFC.

3. BACKGROUND & LEGISLATION

Background

Volunteers and students may participate in programs and activities at CFC from time to time in order to observe and experience the provision of centre-based services, education and care. This will be encouraged and facilitated by CFC, wherever appropriate and possible.

CFC values the participation of parents/guardians and other family members, and the voluntary contribution they make to the education and care of their own and other children. “In genuine partnerships families and educators value each other’s knowledge and roles, communicate freely and respectfully and engage in shared decision making” (*Early Years Learning Framework – refer to Sources*).

CFC aims to provide a range of opportunities for volunteers and students to participate in programs and activities while adhering to clear guidelines regarding appropriate interactions and communication with staff, and other adults and children at the service (refer to *Code of Conduct Policy*).

PARTICIPATION OF VOLUNTEERS & STUDENTS POLICY

The role that volunteers play in education and care services varies and can include working with groups of children, preparing materials or food, assisting with administrative tasks or working one-on-one with individual children. The service is responsible for ensuring that volunteers are suitable to work with children, and that children's health, safety and wellbeing is protected at all times.

Volunteers should only be engaged to complement, not replace, the work of paid staff. Accordingly, services should not engage volunteers to fill the place of an employee who is ill or on leave, or to fill a vacant budgeted position.

Volunteers must **not** be asked to perform tasks:

- that they are untrained, unqualified or too inexperienced to undertake
- that put the children or themselves in a vulnerable or potentially unsafe situation
- where there is a conflict of interest.

Prior to participation at the service, a volunteer or student (aged 18 years or over) must be in possession of a Working with Children (WWC) Clearance (refer to *Definitions*).

Parents/guardians whose children usually attend the service are exempt from needing a WWC Check (refer to *Definitions*). However, a service may decide, as a demonstration of duty of care, that all parents/guardians who volunteer at the service are required to undergo a WWC Check (refer to *Definitions*).

In line with Child Safe Standard 4 and the *Child Safe Environment Policy*, prior to engaging a volunteer or student an assessment should be undertaken of the nature of the responsibility to determine whether a position description is required, and based on that whether an interview and referee checks are required.

Volunteers and students can expect:

- a safe and well-managed workplace
- meaningful work experience with appropriate direction, supervision and training
- recognition for their contribution.

CFC is responsible for ensuring that volunteers are suitable to work at the service.

Volunteers should only be engaged to complement, not replace, the work of paid staff. Accordingly, services should not engage volunteers to fill the place of an employee who is ill or on leave, or to fill a vacant budgeted position.

Conflict of interest: (In relation to this policy) refers to an interest that may affect, or may appear reasonably likely to affect, the judgement or conduct of the volunteer, or may impair their independence or loyalty to the service. A conflict of interest can arise from avoiding personal losses as well as gaining personal advantage, whether financial or otherwise, and may not only involve the volunteer, but also their relatives, friends or business associates.

Staff record: A record which the Approved Provider of a centre-based service must keep containing information about the Nominated Supervisor, the Educational Leader, staff, volunteers, students and the Responsible Person at a service (Regulations 146–149). Working with Children (WWC) Check: The clearance is a legal requirement under the Worker Screening Act 2020 for those undertaking paid or voluntary child-related work in Victoria. The Department of Justice assesses a person's suitability to work with children by examining relevant serious sexual, physical and drug offences in a person's national criminal history and, where appropriate, their professional history.

Working with Children (WWC) Clearance: A WWC Clearance is granted to a person under Worker Screening legislation if:

- they have been assessed as suitable to work with children
